7th Annual Production Sale
Saturday, March 6th, 2021
12:00 pm at the Farm

Rudolph Angus

7th Annual Bull Sale
Saturday, March 6, 2021
Sale Time 12 p.m.

Sale Location:

296 Capon Springs Rd
Yellow Spring, WV 26865

Lunch:

Lunch will be served on sale day
starting at 11:00 a.m.

Auctioneer:

Gary Vance - 540.622.4889

API Representative:

Reese Tuckwiller

Contacts for more information:

- Jeremy Rudolph - 540.550.0063
- Mike Rudolph - 540.539.0054
- Jack Rudolph - 540.550.0099

Viewing of Sale Cattle:

Cattle may be seen at the farm any time prior to the sale. We ask that you give one of us a call so we can meet you and discuss the bulls or answer any questions you may have.

Neogen GeneSeek:

All bulls have genomically-enhanced EPDs through the AngusGS program. An advanced, high density genomic testing option available for Angus cattle Neogen GeneSeek, fully endorsed by Angus Genetics Incorporated. It is the first genomic test designed specifically for Angus cattle including potential markers for future trait selection.

**Herd Health:**

- All bulls will have breeding soundness exams prior to sale day administered by Dr. Isaiah Smith of Mountainview Veterinarian Clinic.
- Bulls qualify for Boehringer Ingelheim Range Ready Program. For any questions about the program contact Kitty Myers - 1.814.571.0073
- Any problems or claims with bulls need to be made by September 1st, 2021

Insurance:

We will have information available for anyone interested in insuring bulls on sale day.

Terms & Conditions:

Cash or good check. Registration certificates will be transferred to new owners after payment is made in full. Announcement from the block take precedence over printed material.

Liability:

All persons who attend the sale do so at their own risk. Seller is not responsible for accidents.

Bull Boarding:

Anyone picking up their bull by Monday, March 8th will get \$50 off purchase price. We will work with you on boarding.

- A hard one to let go of right here. Lots 26 and 27 – the two best females we've offered to date.
- Her dam, a 6 year old Pathfinder out of SAV Thunderbird holds a WWR of 5@104 and a BR of 5@99.
- Perfect udder runs through this cow line. Combined with the strong maternal backing of her sire Musgrave Super M A630, a powerhouse female who will be a big producer for years to come.
